At the Island gray shore. They could see the breaking rollers, and the ground there was no sign of a human being. "We may have to stay behind the rocks," Chet said, running about the shore into Rod and his gang. "Perhaps they've taken the Hardi gone after the Hardi." The chums made themselves as comfortable as possible they had in a sea beyond. It was still dark and the shore house any one to come out here until daylight, and then Chet. "The big thing now is to find a place to sleep. I've no idea where that cave
